

Raising the Bar on Safety

Everybody Goes Home Safely

Safety is our top priority. Our collective responsibility is to make sure everyone is safe when working for Sarawak Energy by raising the bar on safety.

'Raising standards, nurturing culture and saving lives' are our guiding principles in pursuing excellence in safety leadership.

About Sarawak Energy

- Sarawak Energy is powered by a multi-disciplinary workforce of 5,000 Sarawakians, serving a population of about 3 million, covering domestic, commercial, industrial and export customers through an extensive transmission and distribution network.
- Our mission is to deliver reliable, sustainable and affordable energy for the people of Sarawak and beyond.
